Linear Bearings

Innovation Series

*The Engineering Edge*

**One Piece FDA Fludiline Linear Bearings with ETX  
Scraper Seals Machined into them make these  
bearings truly innovative.**

ETX Scraper Seals protect against  
debris inclusion between bearing and shaft.

**FDA  
USDA  
3A Dairy  
Compliant**

LM76 has pioneered the ETX Scraper Seal and it is the most innovative seal of its kind. This twin pillow block features our FDA plating and FDA FDL-ETX bearings.

**“When other’s think catalog...We think Solution!”**
